I am applying for space at the Palisade International Honeybee Festival. I have read and understand the rules set forth by the Festival Committee. I have included all necessary paperwork and payment to complete my application.

The Palisade International Honeybee Festival is a non-profit organization created by a group of business owners in Palisade, Colorado, to celebrate our agricultural roots and to promote the nurturing of a healthy honeybee population through education and an entertaining community festival.

Mission Statement: The PIHF is a community-driven festival to bring awareness to the world-wide crisis of honeybee colony collapse and to educate the public about healthy practices in agriculture and in maintaining bee populations. Education is promoted through the arts, crafts, lectures, food preparation, demonstrations and distribution of published materials. Our festival highlights the many beneficial products that derive from honeybees. Honeybees help all of us—from personal consumption of honey to the pollination of commercial orchards and other crops.
